Vanguard Business School is happy to announce another season of 100% placement, in keeping with our philosophy of ensuring that not a single student gets left out. The batch of 2017, has seen a stunning increase in the number of recruiters on campus as well as the sheer diversity of Sectors and Roles on offer.

Vanguard has been driven with the mission of providing best in class management education and skills at an affordable price so that the burden on the student and family is minimised. Once again, we have delivered our promise of 100% RoI.
